

Spring Term Programme 2019 - Bourne Curious!

Dear Parents & Carers,

Happy New Year & Welcome back, Beavers & Families.

This term we will be working towards our My Skills and My Teamwork challenge badges as well as Air Activities and Experimenters Activity Badges. This will be a term of learning something new & finding out how things work...prepare for new songs, games & to be bamboozled with interesting facts!

We will have two sessions this term where Beavers can come and present their hobbies, collections, sport or work towards an activity badge. This is an optional activity for Beavers to take part in, please make sure their collections / achievements meet the requirements and include a print-out of the badge page from the scout resource website for our records. <http://members.scouts.org.uk/supportresources>

Parent Helpers are always welcome. If you have a particular interest in a programme activity, please come and join us! Parent Helpers who support occasionally are no longer required to be DBS checked. Helpers who support on a regular basis, or support our offsite / overnight activities will still require the DBS check, please chat to us if you need clarification or would like to submit DBS with 1st Chertsey Scouts (they are sadly not transferable between organisations e.g. schools or sports clubs)
