Autumn Programme 2018

Dear Parents & Carers,

Welcome to our Autumn term programme. This term we will be working towards the My Skills Challenge Badge which will require some work at home to complete; Challenge Badges take quite a lot of commitment to complete which is why it takes a whole term to finish and this particular badge is no exception!

In addition to the weekly meets there will be other activities taking place so watch out for emails, particularly on the run up to Christmas when there will be a couple of lovely events that we can take part in.

As ever, this program is subject to change, and evenings may have to be rescheduled. You will be informed by email/text/WhatsApp of any changes.
