Please note that this program is subject to change. Weekly contact will be made to confirm the exact details of each session.

More Dates for the diary

Bazzaz 21st May – I will confirm details with those that are going soon. We are intending to take all Beavers in the minibus to minimise the numbers of cars on site! I will let you know timings as soon as I have ironed them out.

Beavers go Wild 11th/12th June – again I will confirm details with those that are going soon. I will also send out a kit list.

Beaver Archery Session 3rd July – We have booked the District Archery Team to run 2 sessions for Abbey Beavers. I will be opening the booking for this soon. Each session will be 2 hours long and will be a great opportunity for Beavers to experience archery!

Black Cherry Fair is on 9th July – and we are back to being able to have a float in the procession. It would be great if as many Beavers as possible could take part in the procession as this is really good fun, and a great fundraiser for us!

Beaver Paddle Day will be on 24th July – this will be a canoe session with Addlestone Canoe Club, and again when I know more details and the booking opens, I will let you know!
